

Okanogan Conservation District

1251 S. Second Ave, Room 102

Okanogan, WA 98840

Position Announcement

Title Riparian-Water Quality – Team Lead

Location Okanogan, Washington

Description The Okanogan Conservation District is seeking a highly motivated individual to fill a Riparian-Water Quality – Team Lead position. The Riparian-Water Quality – Team Lead will work closely with landowners, coworkers, conservation partners, and others to develop and implement voluntary conservation plans specific to each landowner's needs.

The Okanogan Conservation District is a dynamic organization comprised of volunteer board members and paid staff members that are leaders in "on the ground conservation". We seek highly motivated individuals that will complement our productive, energetic, and skilled staff to deliver quality conservation programs.

The Okanogan Conservation District is primarily grant funded and the incumbent of this position will be required to develop partnerships and additional grants for continued funding and program implementation.

Incumbents with a bachelor's degree or higher with academic training and/or experience in water quality, biology, natural resource management, environmental sciences, fisheries management, agricultural sciences, engineering, or a related discipline, are encouraged to apply.

Wages and Benefits This position's annual salary range starts at \$46,644 per year and increases based upon skills and experience. You will also be eligible for District benefits package which includes medical insurance, Washington State retirement benefits, 10 paid holidays per year, vacation leave, and sick leave.

Application Deadline and Instructions This position is open until filled. First review of applicants for interviews is 12:00 PM, September 7, 2021. Contact the Okanogan Conservation District office for detailed position descriptions.

Applicants must submit a cover letter, resume, and three references (at least two of which are professional) directly to:
