

Our team can help your organization do **even more.**

We provide capacity-building, technical, and research support so you can focus on achieving your goals and advancing your mission.

We specialize in

GRANT WRITING, MANAGEMENT, & ADMINISTRATION

Our team has contributed to over 240 successful proposals for more than \$120 million awarded. We can help you find and secure grants from foundation, government, and corporate funders. We provide project management, reporting, contracting, and other administrative support.

RESEARCH, ASSESSMENTS, & PLANNING

We conduct needs assessments, feasibility studies, and more by analyzing existing data and collecting data using interviews, focus groups, and surveys in English and Spanish.

EVALUATION

We help you understand and communicate your project, program, and organizational impacts.

ORGANIZATIONAL DEVELOPMENT

We facilitate strategic planning, work plans, board development, and stakeholder involvement.

REPORTS, PLANS, & COMMUNICATION

We can help you write and edit reports, plans, websites, marketing materials, and communications for all audiences, including stakeholders, policy makers, and the general public.

We serve

Agencies, conservation districts, tribes, school districts, community-based organizations, non-profits, businesses, coalitions, and more.
